[To be completed fully]

At the next confirmation hearing in this case, the debtor intends to: [Check ONE of the following]

1. Request confirmation of the debtor's plan, because all timely objections of creditors and the trustee have been resolved. I have emailed to the trustee a proposed order confirming the plan, as required in paragraph 2 of the Chapter 13 Case Management Order.
2. Request confirmation of the debtor's plan, even though all timely objections have not been resolved. I have emailed to the trustee a proposed order confirming the plan, as required in paragraph 2 of the Chapter 13 Case Management Order. The parties are at an impasse in attempting to resolve these objections despite all reasonable efforts. The following are: (a) the parties whose timely objections have not been resolved; (b) their unresolved objections; and (c) the legal and factual issues that must be resolved by the Court in connection with confirmation:

Trustee Objections:

Issues:

Creditor #1

3. Request an adjournment of the confirmation hearing to a date determined by the court, due to the following good cause: Debtor is looking to do a loan modification and requires an adjournment to address it. Debtor has a good payment history and a working wage order.

4. Dismiss the case. [The Court will construe this as a motion by the debtor to dismiss the case under Fed.Bankr.R.P. 1017(f)(2), and the Court will enter an order of

dismissal and the case will be removed from the docket.]

5. Convert the case to chapter 7. [The Court will construe this as a notice by the debtor to convert to chapter 7 under Fed.Bankr.R.P. 1017(f)(3), and the Court will enter an order of conversion to chapter 7 and the case will be removed from the docket.]

6. Re-convert the case to chapter 7. [The case will remain on the docket and parties will have an opportunity to be heard.]
